Gift of publicly traded securities

Giving securities to Seva Canada Society is easy and gives you great tax benefits. In May 2006, the federal government eliminated the capital gains tax on donations of publicly traded securities/shares to charities. Call us at 604-713-6622 for our easy-to-use transfer form and more information.

Gift Planning

A planned gift can offer you substantial tax and estate planning benefits, while at the same time allowing you to make a larger and more lasting gift of sight to Seva. There are several ways you can make a gift to Seva.

Bequest: Making a gift of cash or property by including Seva Canada Society in your will is one of the simplest Planned Giving options to arrange and it can significantly reduce the tax paid by your estate.

Gift-in-Kind: A gift-in-kind is a gift of property such as real estate, securities, artwork, jewelry or collectibles. After independent appraisals, Seva Canada Society will issue you a tax receipt.

Life Insurance: You can make a larger gift than you might expect by naming Seva Canada Society as the owner and beneficiary of a new or existing life insurance policy. The premiums you pay qualify for a tax credit. When you transfer ownership of an existing policy to Seva, you receive a tax credit for the cash surrender value.

- I am interested in leaving Seva Canada Society a gift in my will. Please send me additional information.
- I have already made a gift to Seva Canada Society in my will.
